d. All Kraj National Committees.

4. Material must first be classified, however, by the agent within the factory appointed for the job, and the categories defined in paragraph 2 must be used by him in order to avoid delaying the representatives of the Ministry of the Interior. Lists of the material described in paragraph 2a through d will be made up after the inspection by the agent of the Ministry of the Interior. One copy of these lists will be sent to the security adviser of the central management of the Ceskoslovenske Textilni Zavody (Czechoslovak Textile Plants) for future use. Unusable material should be turned over to the nearest branch of Sberne Suroviny (Scrap Collection), National Corporation. This procedure must be completed by 15 August 1949. Reports by individual factories should be made to their base factory, which will send in collated reports directly to the central management of the Ceskoslovenske Textilni Zavody, Prague II, Na Porici 24, under the number 513/Pi/zk-365. We repeat that all reports must be sent in marked Confidential.
5. For any other details contact Soppe, telephone number 29, extension 21.
